The Apostles beg Jesus for increased faith, but they don't really want faith. They want a magical feeling of certainty that requires no effort. Real faith must grow and sprout roots in fertile soil. Real faith requires attention and work. Are we willing to work?

Gospel Reflection

STIR INTO FLAME THE GIFT OF GOD

It is quite easy for us to profess our faith in God and in His Son, our Lord Jesus Christ, when the tide of life flows in our favor. We have all the words we need to motivate and encourage others when fortune seems to be smiling broadly upon us in every facet of life. It could be another story when we face trying moments where nothing seems to be working for us, when even God seems to have turned His back towards us and responds with silence when we cry out for help in prayer. Doubt creeps in at such moments and we seem not to be able to find for ourselves the same words with which we encouraged others when they faced adversity. A close look at the evidence of Scripture will reveal that even the prophets of God were not spared from such trying moments in their relationship with God. One of such prophets was Habakkuk, a seer who exercised his prophetic ministry when Israel was confronting perilous times in the history of their relationship with God.

The united kingdom of Israel was long gone with the separation of the Northern kingdom from the South - the North had fallen to the Assyrians who herded her people into exile while the South was about to have their own experience of exile at the hands of a very powerful Babylonian empire. Habakkuk who had heard of God's goodness and justice employed the help of an imaginary dialogue between he and God to demonstrate that Israel needed to have faith in God even in the face of impending danger and even if God seemed to be silent at such a difficult time. In his dialogue with God, Habakkuk tabled his complaint against God's seeming lack of care for the welfare and security of the people who were under siege and His seeming silence as violence threatened the peace of their city. God's response to the prophet was a firm reassurance of God's faithfulness and justice as well as an invitation to Israel to not only have faith in Him but to be patient even if God's promise of redemption delays in coming. Like the people of Israel whose concerns were afforded expression through Habakkuk, we are often tempted to complain against God's seeming lack of care or protection against the hardships of the world. These include illness, loss of security, aggression from adversaries and disappointing outcomes from our concerted efforts. When we think we have done all that needs to be done for us to have a happy life, and yet encounter unhappiness, it is often tempting to despair. God reminds us that He is always faithful. God is good all the time, and all the time God is good.

In the Gospel passage, Jesus reminds us that our faith needs no mountainous appearance for us to achieve a righteous relationship with God. This understanding of faith by Jesus is collaborated by St. Paul in his Second Letter to Timothy where he admonishes the younger presbyter to fan into flame the gift of God that was given him when Paul conferred God's Spirit to him through the laying on of hands. The recipient of God's Spirit is not called to cowardice, fear and timidity but to great power, courage and self control. As bearers of this Divine gift which we received at baptism, we must strive to be people of faith, never lacking hope for a more intimate relationship with God who is always faithful and fanning into flame this faith and hope through prudent charity.

May the flame of faith and hope which the Spirit of God gives never be extinguished in us by the difficulties of this fleeting world. Moreover, may the charity we practice in the name of Christ who restored us to righteousness fuel the love of God in our hearts forever.

Please be kind and may God bless you.

Fr. Manasseh Iorchir, VC

Respect Life Sunday

Heavenly Father, in the sacrament of Baptism, you have given us the gift of new life. Through your son our Lord Jesus Christ and the Holy Spirit, you have made us your own. Help us to recognize the gift of human life as a sign of hope in our world. Reveal to us the places where your precious gift of life is most in need of protection and strengthen us to defend life in all stages and circumstances, from the child in the womb to the elderly and dying. Guided by your Holy Spirit, guard us from discouragement and give us the grace to be messengers of hope, filled with confidence that nothing can separate us from your love.

Through Christ our Lord. Amen.

Amen.

"Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous man is powerful and effective." (James 5:16)

So many hearts, hopes, and homes are broken by sin. This brokenness infects our culture and invades our lives.

God has provided both a deterrent to sin and a means of forgiveness for guilt. Be honest and genuinely confess our sins to a priest, and receive their prayer for our forgiveness as a blessing from God.

No wonder God wants us to come to Him for our healing from sin and its damage. No wonder God grants such power to the prayer of a righteous person interceding for one led to confess sin. So, let's confess our sin and leave it behind while trusting God to cleanse, redeem, and restore us.

Leave a message with your name, phone number and that you would like to be an Adopt-A-Family sponsor. Thank you!

Coming Soon: Angel Giving Trees!

Good news! The Angel Giving Trees are getting ready to pop up for the upcoming Christmas season! This outreach program asks in-need individuals of 4-5 organizations what they would like for Christmas, these gifts are written on paper ornaments that are placed on Christmas trees for our parishioners to select. The gift is purchased and the paper ornament attached to it, then placed under one of the trees. These gifts are accumulated and delivered to each organization at Christmas so those who may not have had a gift receives one! Imagine how the eyes will light up for the little ones! Prayer Blanket Ministry

We have a new ministry here at St. Benedict Church, the Prayer Blanket Ministry, and you are invited to be a part of it. As a Catholic, you pray for friends, relatives, and others every day. Could one of the people you pray for use the extra assurances that they are not alone in facing their challenges? Pick up a prayer blanket at the Gift Shop and give it to someone you are praying for who needs the extra boost. The blankets are made with prayer and followed up with prayer. Also, if you crochet, knit, or quilt as well as pray and if you want to make Prayer Blankets, email Shannon at smdurham65@gmail.com or come to the next meeting on **Tuesday, October 21** at 10 am in Annex 2.

Reflexión sobre las Escrituras

ENCENDED EN LA LLAMA EL DON DE DIOS

Es muy fácil para nosotros profesar nuestra fe en Dios y en Su Hijo, nuestro Señor Jesucristo, cuando la marea de la vida fluye a nuestro favor. Tenemos todas las palabras que necesitamos para motivar y animar a los demás cuando la fortuna parece sonreírnos ampliamente en todos los aspectos de la vida. Pero la historia puede ser muy diferente cuando nos enfrentamos a momentos difíciles en los que nada parece salirnos bien, cuando incluso Dios parece habernos dado la espalda y responde con silencio cuando clamamos por ayuda en la oración. En esos momentos, la duda se apodera de nosotros y parece que no somos capaces de encontrar las mismas palabras con las que animábamos a los demás cuando se enfrentaban a la adversidad. Si observamos detenidamente las Escrituras, veremos que ni siquiera los profetas de Dios se libraron de esos momentos difíciles en su relación con Dios. Uno de esos profetas fue Habacuc, un vidente que ejerció su ministerio profético cuando Israel se enfrentaba a tiempos peligrosos en la historia de su relación con Dios.

El reino unido de Israel había desaparecido hacía tiempo con la separación del reino del norte del sur: el norte había caído en manos de los asirios, que llevaron a su pueblo al exilio, mientras que el sur estaba a punto de sufrir su propia experiencia de exilio a manos del poderoso imperio babilónico. Habacuc, que había oído hablar de la bondad y la justicia de Dios, recurrió a un diálogo imaginario entre él y Dios para demostrar que Israel debía tener fe en Dios incluso ante el peligro inminente y aunque Dios pareciera guardar silencio en un momento tan difícil. En su diálogo con Dios, Habacuc presentó su queja contra la aparente falta de interés de Dios por el bienestar y la seguridad del pueblo que estaba sitiado, y contra su aparente silencio mientras la violencia amenazaba la paz de su ciudad. La respuesta de Dios al profeta fue una firme garantía de su fidelidad y justicia, así como una invitación a Israel a no solo tener fe en Él, sino también a ser paciente, incluso si la promesa de redención de Dios tardaba en llegar. Al igual que el pueblo de Israel, cuyas preocupaciones se expresaron a través de Habacuc, a menudo nos sentimos tentados a quejarnos de la aparente falta de cuidado o protección de Dios frente a las dificultades del mundo. Entre ellas se incluyen la enfermedad, la pérdida de seguridad, la agresión de los adversarios y los resultados decepcionantes de nuestros esfuerzos concertados. Cuando creemos que hemos hecho todo lo necesario para tener una vida feliz y, sin embargo, nos encontramos con la infelicidad, a menudo nos sentimos tentados a desesperarnos. Dios nos recuerda que Él siempre es fiel. Dios es bueno todo el tiempo, y todo el tiempo Dios es bueno.

En el pasaje del Evangelio, Jesús nos recuerda que nuestra fe no necesita una apariencia grandiosa para que alcancemos una relación justa con Dios. Esta comprensión de la fe por parte de Jesús es corroborada por San Pablo en su Segunda Carta a Timoteo, donde exhorta al joven presbítero a avivar el don de Dios que le fue concedido cuando Pablo le confirió el Espíritu de Dios mediante la imposición de manos. El destinatario del Espíritu de Dios no está llamado a la cobardía, el miedo y la timidez, sino al gran poder, el valor y el autocontrol. Como portadores de este don divino que recibimos en el bautismo, debemos esforzarnos por ser personas de fe, sin perder nunca la esperanza de una relación más íntima con Dios, que siempre es fiel, y avivar esta fe y esta esperanza a través de la caridad prudente.

Que la llama de la fe y la esperanza que nos da el Espíritu de Dios nunca se apague en nosotros por las dificultades de este mundo efímero. Además, que la caridad que practicamos en nombre de Cristo, quien nos devolvió la justicia, alimente el amor de Dios en nuestros corazones para siempre.

Por favor, sea amable y que Dios le bendiga.

Vivir la liturgia

Los apóstoles le piden a Jesús que les dé más fe, pero en realidad no quieren fe. Quieren una sensación mágica de certeza que no requiera ningún esfuerzo. La fe verdadera debe crecer y echar raíces en tierra fértil. La fe verdadera requiere atención y trabajo. ¿Estamos dispuestos a trabajar?

Este año, estamos encantados de colaborar con la escuela St. John Bosco en su Festival Anual de la Cosecha, que se celebrará en el campus de SJB el sábado 25 de octubre, de 5 a 8 de la tarde. Como parte de este evento, nuestra iglesia organizará algunos juegos y puestos propios, lo que nos brindará una magnífica oportunidad para dar a conocer nuestras actividades y animar a otros a participar en ellas.

A Note From The SJB Principal

Dear St. Benedict Parishioners,

Have you heard the latest great news? St. John Bosco Catholic School has been recognized as a 2025 National Blue Ribbon School—the first time in our school history and the only private-school honoree from Arizona this year! This distinction reflects the daily dedication of our students, faculty, and staff, and the steadfast partnership of our parents.

Why is this recognition such a big deal? The National Blue Ribbon Schools (NBRS) Program honors schools for exceptional achievement through a rigorous, multi-step process. For non-public schools, eligibility requires that student performance in the most recently tested year places the school in the top 15% nationally in reading/English language arts and mathematics on a nationally normed assessment. In a typical year, only a few hundred schools nationwide receive this honor.

This recognition is especially meaningful for our community as it is St. John Bosco's first-ever Blue Ribbon, and it comes in the program's final year. The U.S. Department of Education has announced the discontinuation of NBRS going forward.

We are profoundly grateful to our teachers and staff for their unwavering excellence; to our students for their hard work and joy; and to our parents for their partnership and trust. Together, we live our mission of forming faith-filled leaders with strong minds and generous hearts.

Joyful blessings,
Jamie Bescak, M.Ed., Principal
