-Phone Policy: Unless you inform me ahead of time that your student needs to have their phone on them the whole time, I will cheerfully collect any cell phone or electronic device (Apple watches included!) that I see being used by a teen during class. If at all possible, please have them leave phones and electronics at home. I will happily give my phone number to you in case you need to get ahold of them, and will let them use mine to contact you if necessary. (If your teen drives him or herself to class, please let them keep their phone!)

-Please make sure your student brings a water bottle, their class materials (workbook and Bible timeline), and a writing utensil to each lesson.

-Each class will consist of opening prayer, *lectio divina*, snack, big-picture overview, main content (a few short videos, reading, reflection), a fun activity, "Tough Questions," "To the Heart," Biblical character profile, small group discussion, practical application, and closing prayer.

-Please arrive 5 minutes early to sign in—class begins promptly.
